Dear Sponsor,

You are welcome and encouraged to talk to the students about your company, products, services, company history, or any future employment opportunities and, Q & A, other industry topics, etc... They only have 30 minutes for lunch so plan 15-20 minutes for your presentation, and 10 minutes for Q & A.

Previous sponsor companies have also distributed various promotional items like T-Shirts, Pens, Books, Notepads, etc... *(The promotional items are in no way a requirement. Just keeping you in the loop of what other companies have done).*

There are usually anywhere from 5-15 people/students. We normally recommend 15 lunches to be sure all of the students are fed. The only requirement is that the lunch be nutritious (square meal). Fast Food is not recommended but Subway, Pizza, BBQ, Sandwiches or the like with a nutritious drink and chips or a cookie should work fine. Average price per meal should run about \$6.00?? X 12 = \$75-\$80.00

*If your company is not able to cover the cost of the lunch for any reason, please contact Elisa Smith @ Avjobs, Inc. to make arrangements to cover the cost of the lunch.*

Your contribution to Colorado's Youth in Aviation through Leadership, being a Role Model, Incentives, and Support is invaluable. It is companies and individuals like you that are making a difference in the lives of Colorado's Youth and the future of our industry.

Thank you for your consideration and sponsorship of this day.

Please call me with any questions – 303-683-2322 ext 183. You can also call Maria at Emily Griffith 720-424-2961.

To Whom It May Concern:

We currently have a program for West High School participants to attend the General course with Emily Griffith Opportunity School, Aircraft Training Center. The participants can take the required courses for the Airframe and Powerplant program to get their certification; it is the General course. Currently we have 12 participants from a high school taking the required courses for the Airframe and Powerplant program to get their license. The participants are from:

West High School  
950 Elati Street  
Denver, CO 80204  
Contact: Dave Yuskewich  
[John\\_Yuskewich@dpsk12.org](mailto:John_Yuskewich@dpsk12.org)

This is a program to get the young adults interested in a program early in age; this starts them preparing for the future. The participants do their related time at West High School and their practical is done at:

Emily Griffith Opportunity School  
Aircraft Training Center  
Front Range Airport  
37835 Astra Way  
Watkins, CO 80137  
Contact: Roy Gloria or Maria Herrera  
720-424-2961

Your assistance to provide a nutritious square meal and beverages are greatly appreciated. In return, we know that at times the sponsor likes to talk to the participants. We have a time limit of 20 minutes to speak and 10 minutes for questions; for we are FAA mandated by time. The participants that come out to Aircraft Training Center are limited on time on working in the shops.

Sincerely,

Roy H. Gloria
